Assessment		

Read the following:

Do not close this page or navigate from this page while you are working with online content. Some content may rely on this window to save your progress.

When you have completed the content, you can relaunch the content or use the menus or the links below to navigate elsewhere.

Complete all the sessions; after which you will

see the following screen: READ THE FOLLOWING INSTRUCTIONS:

Information Systems Security Awareness
Personal and Home Computer Security
Conclusion

CONGRATULATIONS!

You have almost completed the Security Awareness training for this year, but you must still complete the assessment with a master score of 70% or higher to record the course in your learning history. Once you have completed the assessment you can print a completion certificate from your AgLearn learning history.

To access the exam:

1. Click the "Complete Course" button below.
2. Return to the "AgLearn Online Content Structure" page.
3. Click the link for the assessment.
4. Additional instructions will be provided in the assessment.

Close Help Exam

Message from Instructor

To User: . **Your Name**
Item: USDA Computer Security Awareness Training FY 2009 Web Based USDA-CYBERSECURITY-FY09 (Rev 8/1/2008 05:55 PM America/Chicago)
Exam: USDA-CYBERSECURITY-FY09
Message: You are required to obtain a score of 70% or better to pass this exam and receive credit for completing your mandatory CSAT training for FY2009. If you do not initially pass this exam, you will be able to retake the exam again in order to obtain a passing grade. However, each new exam will be generated randomly from a larger set of questions.

Grade the Exam - Windows Internet Explorer

Exam Scores

Congratulations, you have PASSED this exam.

Number of Questions:

Asked: 10

Answered: 10

Correct: 9

Total Points: 10

Points Scored: 9.00

Score (%): 90.00

Objective	Asked	Correct	Total Points	Points Scored	Score (%)	Pass Grade (%)	Evaluation
Importance of Information Systems Security	2	2	2.00	2.00	100.00	70.00	PASS
Malicious Code	2	2	2.00	2.00	100.00	70.00	PASS
Personal and Home Computer Security	2	2	2.00	2.00	100.00	70.00	PASS
Threats to Information Systems Security	2	2	2.00	2.00	100.00	70.00	PASS
User Roles and Responsibilities	2	1	2.00	1.00	50.00	70.00	FAIL

If you miss a question on the assessment, you will receive a "fail" for the objective. This is OKay! Your assessment pass or fail depends on your "score"; in this case the score is 90%.

Select: "Close" to exit the course. **THERE IS NO CERTIFICATE TO PRINT.** If you pass the exam (assessment) you will automatically show as "completed" in the AgLearn system.

If you wish to print a certificate for your records: Select the "Learning" tab from menu screen; then select: "Learning History"
